RESPONSE TO NOTICE TO FILE MISSING PARTS

Box Missing Parts
Commissioner for Patents
Washington, DC 20231

Sir:

It is respectfully submitted herewith the Combined Declaration and Power of Attorney signed and dated by Applicants for the above-captioned application. This submission is in response to the Notice to File Missing Parts dated July 17, 2001 (a copy thereof is attached hereto) and is being filed within two months of the date of the letter.

Also submitted herewith are a corrected sequence listing and a substitute sequence listing diskette. This submission is in response to the aforementioned Notice to File Missing Parts dated July 17, 2001.

In each case the sequences were designated "Artificial Sequence." Explanation of the source of genetic material is required (sections <220> to <223>), but was mistakenly omitted or incorrect. The changes, per the Sequence Listing Error Summary, Item 11, (attached to Notice to File Missing Parts dated July 17, 2001), were made in accordance with the sequence listing rule 37 CFR §1.823, and with support in the originally filed application as follows:

- SEQ ID NO. 16 – Supported in SEQ ID NO. 15
- SEQ ID NO. 18 – Supported in SEQ ID NO. 17
- SEQ ID NO. 30 – Supported in SEQ ID NO. 29
- SEQ ID NO. 31 – was incorrectly denoted an "artificial sequence" when it is a "Homo sapiens" sequence. This error was corrected. Support for the denoting SEQ ID NO. 31 as Homo sapiens is found in the specification on page 98 (Example 8) and SEQ ID NO. 1
- SEQ ID NO. 73 – Supported in SEQ ID NO. 72

These changes are supported in the originally filed application and hence include no new matter.

The content of the above-captioned application and the computer readable copy is the same and, where applicable, includes no new matter as required by 37 CFR 1.821-1.825.

Applicants claim small entity status. Please charge the total fee, estimated to be \$65.00, to ZymoGenetics, Inc., Deposit Account No. 26-0290. A duplicate of this sheet is enclosed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Jennifer K. Johnson', written over the typed name.
